

TALKS THAT ARE RELEVANT AND FASCINATING

LECTURE SERIES

4th Tuesday of every month. Free morning tea at 9.45am, lecture at 10.15am.

22 February: Working: Never Too Old! By Charles Brass from the Futures Foundation

22 March: Older Wiser Lifestyles presented by Stephen Bright, Peninsula Health.

Essential to ring 9650 6144 to register interest for this series of lectures.

INTERNATIONAL NEWS DISCUSSION GROUP

Next meeting on Tuesday 22 February, 12.30 – 1.30pm

Topic: The World Bank and the IMF: the good, the bad and the ugly?

Facilitated by Kent Goldsworthy, an expert in international affairs.

Contact Faye on 9650 6144

INVESTMENT DISCUSSION GROUP

Meetings are held on the 1st Thursday of the month at 10am for those interested in personal finance, shares and superannuation funds. Update your knowledge by listening to the latest trends presented by experienced speakers.

3 March 2011: Jonathon Morgan, Business Development Manager, Equity Markets, ASX, will provide an overview of the **37 ETFs** currently listed on the ASX - particularly those which focus on high dividend yielding companies.

Exchange traded funds provide diversification and are a very fast-growing sector of the ASX as they provide liquidity, transparency and low transaction costs when compared to managed funds.

7 April 2011: Ross Barker, Managing Director of four listed Investment Companies: **Australian Foundation Investment Co (AFI)** and **Djerriwarrh Investments Ltd (DJW)** are well known to many investors. **Mirabooka Investments Ltd (MIR)** invests in small and medium sized companies while **Amcil Ltd (AMH)** invests and trades in a range of securities.

5 May 2011: Mark Dehring: **CSL Limited**
